Announcement

BLAUPUNKT Europe to show at IFA, Berlin September 2nd-6th

Leudelange, Luxembourg (August 3rd, 2022)

BLAUPUNKT Eastern and Western Europe Partners to welcome their trade partners and display an extensive range of audio products, wearables, gaming accessories, power tools, home appliances and much more in hall 22 at booth #102.

BLAUPUNKT was one of the first exhibitors at IFA back in 1924. This year BLAUPUNKT plans to return to Berlin, the city where the brand was founded nearly 100 years ago, to open its business center and exhibit at the first major in-person consumer home electronics exhibition in Europe since 2019.

The BLAUPUNKT Brand Partners representing the brand in Eastern and Western Europe will showcase their portfolios to interested B2B partners.

Trade visitors can explore the latest BLAUPUNKT line-up of wearables, gaming accessories, audio, and personal audio products for Western Europe.

For Eastern Europe, B2B visitors can explore an extended portfolio of products. In addition to the extensive portfolio of audio products ranging from home audio to portable audio and even power Audio visitors can also expect to be wowed by the newly developed range of home appliances and E-Mobility products. As a highlight, the competence center for Eastern Europe will present for the first time a wide range of affordable BLAUPUNKT power tools for the home and garden.

The BLAUPUNKT booth at IFA will focus on B2B visitors this year. But, as always, all IFA visitors are invited to discover the newest developments of the BLAUPUNKT brand. Management and representatives from BLAUPUNKT headquarters will also be on-site prepared to discuss ideas on how the BLAUPUNKT brand can developed in new regions or categories with potential partners who match the brand’s identity and ideals.

About Blaupunkt
For almost a century, Blaupunkt and its blue dot symbol have been synonymous with German technology, innovation, and quality.
